A MESSAGE FROM THE OFFICE

I would like to take this opportunity to say thanks to the continued support from the WHM community. Your support is felt each and everyday. As we make our way into Term 2, lets continue to work together supporting each other and the students to always "Be The Best They Can Be"!

INTERMEDIATE BOYS & GIRLS BASKETBALL

Congratulations to our intermediate boys and girls basketball team who had an outstanding season. Thanks to Mrs. Arghittu, Mr. Irvine, Mr. Currie, Mrs. Taylor, and Mrs. Kelcey for all their hard work with the team.

Looking forward to cheering our junior basketball teams on as they start their season after the break.

HOCKEY INTRAMURALS

A big thanks to Ms. Falk who has graciously taken the lead on ball hockey intramurals during break times. This has provided students with a great opportunity to burn some energy on colder days while playing a sport they love.

HOT LUNCH HELPERS

Every Friday we have an amazing team of helpers that work hard to deliver the hot lunches. They work so well together and get the job done in a timely manner with little to no errors. Thank-you hot lunch helpers!!!

LEGO ROBOTICS

Last week four amazing students from Mrs. Flett's class — Ivy, Camila, Israel, and Adrian represented WHM at Jeanne Sauve for the annual Lego Robotics competition. Special shout out to Mr. Sirett for all of his help taking time from his breaks to practice with the team.

BLACK HISTORY MONTH

Throughout the month of February, it was great to see all the amazing activities students did in classes. Check out some of the pieces below.

SCHOOL COUNCIL MEETING

Looking for an opportunity to come out to hear more about what's happening at your child's school? If the answer is yes, please consider coming out to our next meeting on Tuesday, March 26th at 6:00 pm.
